## Education

**Institute Of Engineering And Technology Lucknow**

B. Tech. - Computer Science and Engineering

**Nov 2021 - July 2025**

C.G.P.A. (Current): 8.36/10

## Experience

**InternPE**

**June 2024 - July 2024**

Frontend Development Intern

Remote

- Developed interactive web applications with HTML, CSS, and JavaScript, increasing user engagement by 30%.
- Collaborated with cross-functional teams to design, implement, and test new features, leading to a 20% increase in application efficiency.
- **Technologies used: HTML, CSS, JavaScript, React.js**

## Projects

**Food Villa** |  [GitHub](#)

**June 2024**

- Created a food ordering website with the Swiggy API and React.js, incorporating HTML, CSS, and JavaScript, which led to a 25% boost in user satisfaction and managed many restaurant listings.
- Configured React Router to support smooth transitions between pages, resulting in a 15% reduction in page load times.
- Implemented efficient state management, improving application performance by 20%, and optimized seamless navigation, resulting in faster load times and smoother transitions across the application.
- **Tech Stack Used: HTML, CSS, React.js, Redux**

**Video Streaming Web-App** |  [GitHub](#)

**Nov 2023**

- Built a video streaming app using React and Redux, with live API integration for search suggestions, reducing search latency by 30% and enabling real-time results.
- Designed user-friendly interfaces with category-based item displays, improving navigation efficiency.
- Integrated search functionality, API handling, and state persistence, reducing data retrieval time by 10% and enhancing overall user experience.
- **Tech Stack Used: HTML, CSS, React.js, Redux**

## Achievements

**Codeforces Pupil — Highest Rating - 1377** [View](#)

- Global Rank - 2893 in Codeforces Round 962 (Div. 3), out of 15,000+ participants
- Global Rank - 2857 in Codeforces Round 974 (Div. 3), out of 13,000+ participants

**Leetcode Knight — Highest Rating - 1915** [View](#)

- Ranked in the top 4.13% on LeetCode.
- Global Rank - 1131 in LeetCode Weekly Contest 413, out of 33,000+ participants
- Global Rank - 1108 in LeetCode Weekly Contest 408, out of 36,000+ participants

**Codechef 3 Stars — Highest Rating - 1623** [View](#)

- Global Rank - 258 in CodeChef Starters 121 Division 3
- Global Rank - 984 in CodeChef Starters 145 Division 3

## Skills

**Languages** : C/C++, Basic Python, JavaScript, HTML, CSS

**Developer Tools** : VS Code, Sublime, GitHub

**Technologies/Frameworks** : React, Node.js, Tailwind

**Technical Skills** : Data Structures and Algorithms, Basic Computer Networks, Operating Systems, DBMS
